

WELCOME HOME STAGING

Considering listing your home in the near future??

As both a realtor and owner of a staging company, I ensure your property looks its best to attract more buyers and sell faster. By listing your home with me you will receive complementary professional staging! Let's work together to make your home stand out!!

81% of home sellers say that a staged home makes it easier for them to sell their home.

A staged home spends 73% less time on the market than a non-staged home.

85% of staged homes sold for 5-23% over their listing price.
